

**Jocelyn – January 2009**  
**Alexander – September 2007**

These siblings are looking for their forever family!

Jocelyn is an energetic little girl with a heart full of joy! Her happiness and excitement are contagious, and spending time with her is a real treat. Jocelyn likes to sing, dance, and her favorite movie is Frozen. She loves anything girly and dreams of being a princess when she grows up. Jocelyn enjoys going to school and her teachers say she is a pleasure to have in class.

Alexander is an intelligent and friendly boy with a great imagination. He is talkative, social and makes friends easily. Alexander likes riding bikes, playing outside and going to the movies. He does well in school and is eager to learn new things. Alexander is a leader and when he has a goal in mind he demonstrates a strong sense of determination and persistence.

Jocelyn and Alexander currently benefit from counseling, which will need to continue after placement. The children would do best in a two parent family however, all family types will be considered.
